Earnings & Investor Presentation

1Q FY23 (Apr'22 – Jun'22)

04 - Aug - 2022

Disclaimer

This presentation contains certain words and statements concerning Infibeam Avenues Limited ("the Company") and its prospects, and other statements relating to the Company's expected financial position, business strategy, the future development of the Company's operations and the general economy in India & global markets, are forward looking statements. Such statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements of the Company, or industry results, to differ materially from those expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Company's present and future business strategies and the environment in which the Company will operate in the future. Actual results could differ materially for a variety of reasons, including fluctuations in foreign exchange rates, changes in global economic conditions and consumer spending, world events, the rate of growth of the Internet and online commerce, the amount that Infibeam invests in new business opportunities and the timing of those investments, the mix of products sold to customers, the mix of net sales derived from products as compared with services, the extent to which we owe taxes, competition, management of growth, potential fluctuations in operating results, international growth and expansion, the outcomes of legal proceedings and claims, risks of inventory management, seasonality, the degree to which the Company enters into, maintains, and develops commercial agreements, acquisitions and investment of strategic transactions, payments risks, and risks of warehouse and logistics productivity. The other important factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements include, among others, changes in government policies or regulations of India and, in particular, changes relating to the administration of the Company's industry, and changes in general economic, business and credit conditions in India. The information contained in this presentation is only current as of its date and has not been independently verified. No express or implied representation or warranty is made as to, and no reliance should be placed on, the accuracy, fairness or completeness of the information presented or contained in this presentation. None of the Company or any of its affiliates, advisers or representatives accepts any liability whatsoever for any loss howsoever arising from any information presented or contained in this presentation. Please note that the past performance of the Company is not, and should not be considered as, indicative of future results. Furthermore, no person is authorized to give any information or make any representation which is not contained in, or is inconsistent with, this presentation. Any such extraneous or inconsistent information or representation, if given or made, should not be relied upon as having been authorized by or on behalf of the Company. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any person of such revision or changes. Persons should consult their own financial or tax adviser if in doubt about the treatment of the transaction for themselves. Certain financial and operational figures and related statements provided in this presentation including certain quarterly information in relation to subsidiaries of the Company are management representations based on internal financial information system of the Company and subsidiaries of the Company.

- Catering to a diversified client base Corporates, Enterprise, Governments
- Market size over \$100bn (Source: GeM, RBI, NPCI, company estimates)
- Core business product
- Enjoys first mover advantage
- Key focus area for merchant acquisition
- Provides base for cross sell opportunities
- India market size (P2M & B2B) \$4.5 tn by 2026 (Source: BCG)

Business Model – Merchant Centric

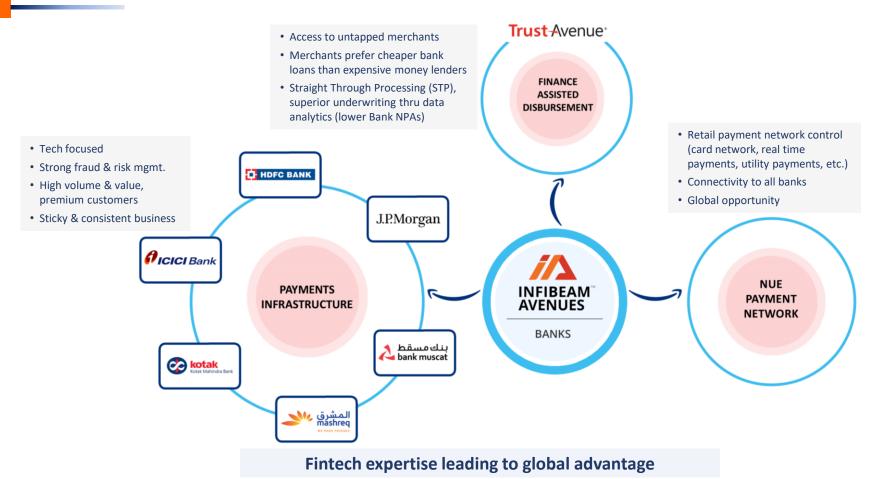

Well positioned to leverage the Trillion-dollar opportunity

Building Payments Infrastructure – Banks Centric

De-risked and sustainable business model

FINANCIAL & OPERATIONAL PERFORMANCE – Q4'22

First Listed Fintech in India

Key Management Message

Strong growth to continue

Vishal Mehta; Managing Director: "The return of demand has been tremendous, and it's ever-growing. We see demand and economic activities improving now in the near future. We have registered TPV growth of 72% year-on-year across our fintech offerings in Q1 FY22-23. As per our internal data, the enormous rise in digital payment transactions was across all sectors. We rolled out our game-changing product CCAvenue Mobile App an omni-channel payment platform with a built-in tap and pay feature that converts any NFC-enabled Android phone into a POS terminal. With these developments and a steep increase in our Total Processed Value of INR 87,218 crore, we are looking at a stretch of healthy quarters."

<u>Vishwas Patel; Executive Director</u>: "Currently, there's an excellent momentum shifting towards digital payments in the country. The latest RBI data reveals that 7.9 crore credit card holders spent on an average more than Rs 1,00,000 Cr in each month of Q1'23, which is record high. Digital payments in the country is growing at a rapid speed and the momentum continues in FY23. POS and eCommerce are expected to contribute equally to digital payments value in FY23. This is where we are entering the offline payments market with our SoftPoS with tap-to-pay feature, that we think will be a game changer."

Key Business Developments

- Incorporated a subsidiary in Australia to launch payments
- Launched CCAvenue Mobile App, World's Most Advanced Omni-Channel Payment Platform with TapPay, India's first Pin-On-Glass Solution
- Appointed IISc alumni Rahul Hirve as the Chief Executive Officer to lead CCAvenue softPoS, India
- CCAvenue teamed up with Zeropay for its comprehensive BNPL offering
- GeM targeting 75% procurement by 15th August to commemorate India's 75th Independence Day
- Partnered with Fincare Small Finance Bank for its Direct Debit Facility
- Tied up With Simpl for seamless checkout to enhance the online shopping experience

Robust Financial Management

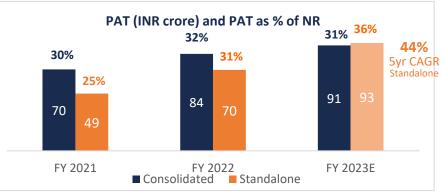

Consistent & exponential growth at scale for the last 5 years

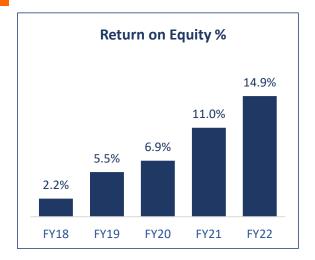

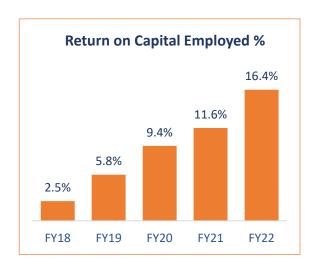

Note: Consol. financials prior to FY20 are not comparable due to divestments in FY19. Standalone (SL) constituting 90% of FY22 'consol. gross rev' is comparable for 4yrs, from FY18, on account of Infibeam Inc.'s merger with Avenues India. Hence, CAGR is calculated on SL. Standalone business includes India Payments and Platforms business including Platform merchants like GeM, Jio, etc. FY23 is estimated by extrapolating Q1'23 (Q1'23 x 4 = FY23)

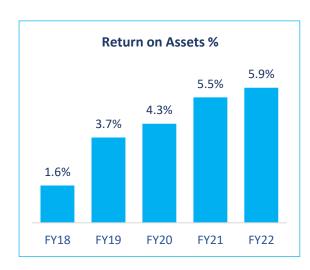

Strong Balance Sheet

- → Strong cash reserves over INR 200 crore¹
- → Zero debt (early payment of all outstanding debt, in Q2'22)
- → Positive cash from operations²: INR 117 crore, up 9% YoY
- >100% EBITDA to cash conversion³: consistent in the last five years
- Consistently FCF positive: INR 75 crore, up 3x YoY

3 EBITDA / CFO

¹ including nodal balance

² Cash from Operations (CFO) excludes merchants' settlement money which is not cash generated by the Company

International expansion plans for becoming a global fintech player

Accelerating eCommerce in the fast growing economies globally

Opportunity and Guidance

First Listed Fintech in India

TPV ~INR 4.0 lac crore \$53 bn

Gross Revenue ~INR 1,600-1,700 crore

EBITDA ~INR 170-190 crore

PAT ~INR 110-125 crore

Key Growth Drivers

Payments – Macro Tailwinds

Large untapped market with various cross sell opportunities

Supportive demographics, wide internet & mobile penetration, affordable smartphones & data pricing

Increasing preference towards digital payments

Favorable Government initiatives and regulations

Penetrating offline digital payments through newly launched CCAvenue mobile app with Tappay

Growing Payment infrastructure business in India and in international markets

Growing merchant pipeline for cross-sell opportunity

Offering working capital loans, invoice discounting, to merchants and boosting margins

Being one-stop-shop for merchants (Platform for business, Payments to collect money and finance for growth)

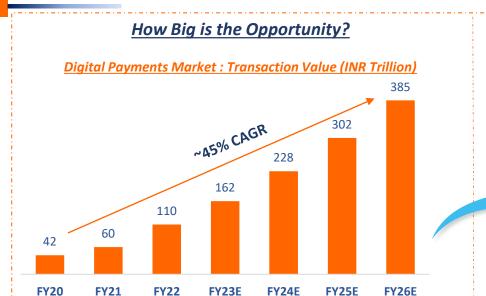

Expanding internationally

India's Fintech Landscape

Opportunity and Outlook

- 2 out of every 3 payment transactions would be digitized by 2026
- Deep market penetration, around 346 million Indians are engaged in online transactions such as e-commerce and digital payments.
- The number of internet users by 2025 will grow another 200 million to 900 million; growing ~30% in next 3 years.

Ready to Capture the Bigger Pie

Accelerating towards our Guidance of \$100bn by the end of 2024

Transaction Processing Value (TPV)

\$ 19 billion

INR 1,39,400 crore FY21 \$ 50 billion INR 3,73,424 crore Q1 FY23 annualised

- Entering offline payments through SoftPoS, CCAvenue mobile app to increase digital payments market share
- GeM platform doubling every year; crossed INR 50,000 crore in 123 days in FY22
- Additionally targeting B2B payments

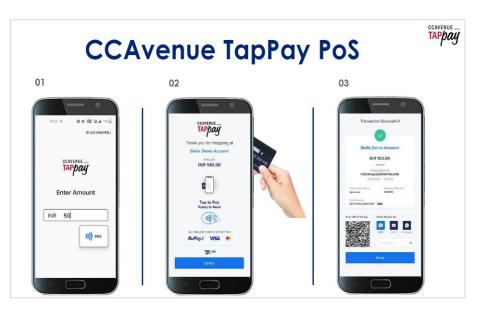

Annexure

First Listed Fintech in India

Transformational Technology To Enhance Offline User Experience

Seamless payment experience for merchants across online and offline business models

An all-in-one mobile app

The world's most advanced omni-channel payment app

- Zero contact payments
- Payment status
- Capture/cancel payments
- Refunds
- Business performance
- Request payments from anywhere, at any time
- Discounts & Promotions
- Robust security
- Zero / Negligible cost

Use cases for small businesses or large;

Improved check-out experience at high-end retail stores and restaurants (check out at hotel from the room rather than standing at reception queue, payments at the table), extended payment acceptance capability during busy periods (festivals, weekends, sale), accepting card payments for merchants on the go, market stalls and food delivery drivers, remote onboarding of personnel, doorstep service delivery, payments at trade fairs, etc.

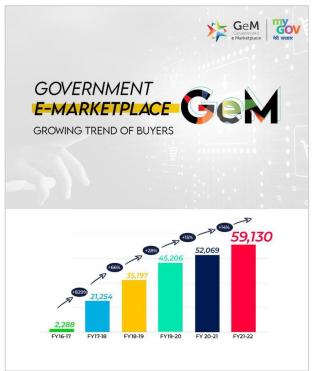

GeM Snapshot

A remarkable journey!

Infibeam Avenues began here – GeM 1.0 went Live on 26 Jan 2018

Source: As tweeted by Hon. Prime Minister (link), GeM

Crossed INR 50,000 crore in 123 days in FY23 vs. 224 days in FY22
